NOTES:

Brad Allison explained ordinance 300 to the resident audience. He commented to Attorney Boose that the Borough code is not clear regarding the term "street" and includes the sidewalk. Street reference is not clear and undefined.

Powell commented they werner's didn't request the variance or take note to special exceptions. Brad commented that the special exception regarding both properties are in non-conforming both buildings and owners.

Powell commented that it is light blocking on the lower level

Powell ?'d variance previously for resident across the street why not approved.

Mary Werner – Ask why – it was not until cement was installed that it was an issue.

Commented on prior place where Vickie's wall had to be moved.

Tom Fisher – explained paying for ½ of the cost of sidewalks for the Werner's in the past current and some others – Questioned who else had to pay – no names given.

Tom Asked how large is the lot behind house – Mary answered from the stop sign to 2nd ave belongs to Wayne Shaulis. The council has worked on the beautification project and the consistency of homes would be a positive. Mary Werner asked to stop.

Tom asked if the Powell's porch is on the RW and if so it is grandfathered in.

Brad – Would request on advice from council. Based on language he will address with council setback are put in place.

Adam Powell – said he has waited since veterans day for contact on what set back info.

Brad – commented on Special exception – and explained what it is based on the ordinance 300

Adam Powell – had not been contacted

Brad-said the "street line" and "ROW" is not defined

Tom Fisher asked is there and amicable agreement for both parties to go to 16 FT

Adam commented he is not prepared to answer.

Mary – suggested to just fill it with shale.

Tom Fisher said the roof line will not tie in if it is set back from current building

Mary said they will fill with shale or get a new drawing.

Discussion ended at 8:40 pm

There were many comments with multiple people talking.
